### **OBTAIN YOUR FLU SHOT - COVERED AT 100%**

Many of our members depend on our annual Health Fairs to procure their flu shots. Because of the severity of the COVID-19 pandemic, the Local Union Fund Office has elected to cancel the Health Fairs for 2020. Please don't let that stop you from receiving your flu shot! You can visit your local pharmacy and present your prescription drug card (EmpiRx) to receive your flu shot at a time and location that works best for you and your family, **at no cost to you.** If you prefer to get your flu shot in your physician's office, you may also do that as well. Just present your BCBS insurance card at the time of service.

If you have any questions regarding your coverage, kindly review our website at [www.ibt731funds.org](http://www.ibt731funds.org) or contact the Fund Office at (630) 887-4150.
