New Diagnostic Imaging Network

The Respective Board of Trustees of the abovementioned Health Plans are pleased to inform you that they have partnered with Absolute Solutions to provide and serve your Diagnostic Radiology needs. Absolute Solutions offers a national network to procure and schedule MRI, CT and PET Scan Providers. **The Absolute Solutions Network is available immediately.**

Absolute Solutions hereby replaces DiaTri/ContainCare, who is no longer recognized or honored as a preferred provider of the IBT Local 731 Funds.

Accessing Absolute Solutions will continue to allow you and your eligible dependents to obtain an MRI, CT or PET Scan at no cost to you. The true benefit is that you will not be required to satisfy a deductible or pay a co-insurance fee. If you decide to utilize a provider outside the Absolute Solutions Network, the normal deductible and co-insurance charges shall apply.

Absolute Solutions makes it possible for you to receive these diagnostic services in a specialized and pleasing environment, convenient to where you reside or your place of work. **When your Doctor advises you to obtain an MRI, CT or PET Scan, simply dial (800) 321-5040 to access this wonderful and convenient cost-saving benefit.** Absolute Solutions will schedule and manage your diagnostic radiology test from beginning to end on behalf of you and your family members.

If you have any questions or concerns regarding Absolute Solutions' Diagnostic Imaging Network, kindly contact the Fund Office at (630) 887-4150 or visit our website at www.ibt731funds.org.
