

HOW TO GET SLEEP APNEA EQUIPMENT AND SUPPLIES PAID FOR AT 100% (NO DEDUCTIBLE AND NO COINSURANCE)

Effective February 1, 2015, the exclusive arrangement of having the deductible and coinsurance waived for using Delta Sleep as a preferred provider ends.

TO CONTINUE TO HAVE YOUR DEDUCTIBLE/COINSURANCE WAIVED, the Trustees have made an arrangement with the Fund's case management firm, Med-Care Management to coordinate sleep apnea equipment and supplies. By going through Med-Care Management for your sleep apnea needs, your deductible and coinsurance will be waived with more providers than just the one. Med-Care Management will coordinate such on your behalf with a local durable medical equipment supplier. Just call them and they will make all the necessary arrangements.

Med-Care Management can be reached at (800) 367-1934.

Kindly contact the Fund Office at (630) 887-4150 if you have any questions.
